Attention: [REDACTED]
Subject: Quotation for Reticles
Reference: High Power Stereocomparator Viewing System

STATINTL

Dear Ray:

As discussed in our recent telephone conversation, my letter of February 8 concerned a quotation for, new reticles for the Stereocomparator Viewing System. This is to confirm my quotation of the additional cost of installing these reticles. Providing that the installation can be performed in [REDACTED] the additional cost will be [REDACTED] per reticle [REDACTED] per instrument).

STATINTL

STATINTL

We are presently investigating the problem of compatibility of [REDACTED] eyepieces with the viewing system and will advise as soon as possible whether the installation of reticles can be performed in conjunction with this work.

STATINTL

I hope this information will be of assistance to you. If I can be of any additional service, please feel free to call upon me.

Very truly yours,

STATINTL
